Darrell Mottley Discusses Benefits and Challenges of AI as a Patent Drafting Tool in Law360

Banner Witcoff's Darrell Mottley was quoted in Law360's article "AI Not Yet Ready To Take Patent Drafting Jobs, Attys Say" discussing how AI could be used in creating patent applications.

Attorneys agree current AI might be able to produce something that looks like an entire patent application from scratch, but wouldn't be effective at protecting an invention. They did say it could offer helpful assistance for narrower tasks in the process.
