Drafting Patents for Litigation and Licensing authored by Banner & Witcoff attorneys is now available.

Bradley C. Wright is Editor-in-Chief and a chapter author of *Drafting Patents for Litigation and Licensing*, published by BNA Books. This is the first book to help patent practitioners draft the broadest possible patent that can sustain a validity challenge by synthesizing and applying lessons from the case law.

The book focuses on real-life examples taken from court decisions—especially those from the U.S. Court of Appeals for the Federal Circuit, in which patents were interpreted, enforced, or licensed—too often to the detriment of the patent owner.

Banner & Witcoff attorneys, Robert S. Katz and Wayne Porter are contributing authors to *Drafting Patents for Litigation and Licensing*.
