Robert Katz to serve in FICPI leadership positions

June 27, 2006

Banner & Witcoff is pleased to announce that Robert Katz has been elected to the Executive Board of the U.S. Section of the Federation International des Conseils en Propriete Industrielle (FICPI) during the FICPI Congress Meeting May 23-27 in Paris. Additionally, Mr. Katz was appointed to be Reporter of Committee 2, which is responsible for industrial designs.

With members in more than 80 countries, FICPI is an organization working for the interests of Patent and Trademark professionals world-wide with a membership that consists solely of intellectual property professionals in private practice. FICPI has kept abreast of the latest developments and has worked with its membership to help shape intellectual property legislation for over 100 years.

Banner & Witcoff celebrates this heightened recognition of the efforts of Mr. Katz to advance the legal handling of industrial designs.

For more information on intellectual property matters, please contact Robert Katz.
