Robert S. Katz presents encore Strafford webinar, “Design Patent Claim Construction: Written Description, Ornamentality, Functionality and More”

March 13, 2018

Robert S. Katz participates in encore Strafford webinar, “Design Patent Claim Construction: Written Description, Ornamentality, Functionality and More.”

He and his co-presenters will examine key considerations when defining and drafting design patent claims and discuss how courts are treating claim construction issues for design patents.

Their original presentation was on Feb. 8, 2018. This is an encore presentation with live Q&A.
