A Debate on AI in Legal Practice

Banner Witcoff shareholders Joshua Davenport and Scott M. Kelly will speak during the “A Debate on AI in Legal Practice” IP Watchdog webinar on Tuesday, December 17, at noon ET.

Sponsored by IP Copilot, the webinar will offer a dynamic and engaging discussion as legal and AI professionals explore the evolving role of artificial intelligence in legal practice.

The panel will specifically discuss:

- Real-world use cases of AI in legal practice from pioneering attorney
- Perspectives from conservative adopters on the challenges and risks of AI
- Technical insights into how AI works and where it’s headed
- Debunking common AI myths and misconceptions in the legal field
