ABA Journal features Banner & Witcoff's Patent Arcade blog in 9th Annual Blawg 100

In its December 2015 edition, the ABA Journal features Banner & Witcoff's Patent Arcade in the 9th Annual Blawg 100, its list of 100 excellent legal blogs.

According to the ABA Journal, Patent Arcade is "a resource for gamers and IP enthusiasts interested in the current case law and legal issues surrounding the video game industry. The blog also contains news about recent patent filings from gaming companies, giving readers a peek at what might be coming on the market in the future."

The blog was launched in April 2005. Please click here to visit the blog.
