Banner Witcoff, 17 Attorneys Recognized in Managing Intellectual Property's "IP Stars" 2019 Guide

Managing Intellectual Property (MIP) has recognized Banner Witcoff and 17 of its attorneys in the 2019 edition of "IP Stars," a guide to the world's top intellectual property firms and practitioners.

Nationally, the firm is ranked in Tier 3 for its patent prosecution work and as a notable firm in the patent contentious practice area. MIP also "highly recommended" Banner Witcoff for patent prosecution in Illinois and Washington, D.C., and ranked it in the patent contentious practice area in both jurisdictions.

MIP recognized the following Banner Witcoff attorneys as 2019 "IP Stars:"

Marc S. Cooperman, Ross A. Dannenberg, Michael J. Harris, John P. Iwanicki, Sarah A. Kagan, Robert S. Katz, Christopher L. McKee, Timothy C. Meece, Frederic M. Meeker, Helen Hill Minsker, Darrell G. Mottley, Joseph M. Potenza, Christopher J. Renk, Joseph M. Skerpon, Richard S. Stockton, J. Pieter van Es, and Bradley C. Wright.

Helen Hill Minsker was also featured in MIP's "Top 250 Women in IP" list, which recognizes the world's leading female intellectual property practitioners in private practice.

The "IP Stars" rankings are based on information MIP's analysts obtain from thousands of law firms, practitioners, and their clients through interviews, surveys, and other research. The guide's "patent prosecution ranking takes account of pre and post-registration work including Office proceedings and portfolio management advice, whereas the patent contentious ranking covers patent-related disputes," according to MIP's methodology.
