Banner Witcoff Achieves Total PTAB Victory for ZF

Banner Witcoff obtained a total victory for client ZF Friedrichshafen at the PTAB. The written decision held every claim in a patent being asserted against ZF unpatentable. The final written decision can be found here.

ZF is a global technology company supplying advanced products and systems for passenger cars, commercial vehicles, and industrial technology.

Banner Witcoff attorneys John Hutchins and Paul Qualey worked on the IPR and associated district court litigation.
