Banner & Witcoff congratulates client Guard Llama Inc. for appearance on ABC's "Shark Tank"

Banner & Witcoff congratulates client Guard Llama Inc. for its upcoming appearance on ABC's "Shark Tank" on April 14.

CEO Joe Parisi founded the Chicago company to help people who are in danger but can't call for help on their cell phone. By pressing a button on the Guard Llama, the device sends a signal to their phone via Bluetooth, and the phone then automatically sends the police their location.
