Banner & Witcoff congratulates client ReThink LLC for appearance on ABC's "Shark Tank"

Banner & Witcoff congratulates client ReThink LLC for its recent appearance on ABC's "Shark Tank."

Trisha Prabhu, a 16-year-old innovator, social entrepreneur and advocate from Naperville, Ill., invented ReThink as a way to stop cyberbullying. When a teenager posts a message on social media, ReThink uses its context sensitive filtering technology to determine whether or not it is offensive and gives the teenager a chance to reconsider his or her decision.
