

Banner Witcoff Hosts Holiday Charity Event: Donates 800 Stockings to Soldiers' Angels Holiday Stockings for Heroes

On Monday, November 4, Banner Witcoff attorneys and staff gathered for the fourth year to assemble 800 stockings for Soldiers' Angels Holiday Stockings for Heroes.

Hosted by the firm's Veterans Affinity Group, attorneys and staff filled the stockings with gloves, socks, snacks, cookies, puzzle books, and homemade cards. The stockings will be donated to

veterans staying in VA medical centers over the holidays.

Matt May, head of the Banner Witcoff Veterans Affinity group, notes that “The holiday season is sometimes a difficult time for service members, especially if they are away from their family. Receiving one of these stockings can be a great way to brighten their holidays.”

Soldiers’ Angels Holiday Stockings for Heroes coordinates with people and companies across the nation to send stuffed holiday stockings to deployed service members or veterans in VA hospitals. This year, the Soldiers’ Angel’s donation goal was 40,000.
