Banner Witcoff is proud to contribute to the latest edition of Panoramic: Designs (USA) by Lexology.

Banner Witcoff is proud to contribute to the latest edition of Panoramic: Designs (USA) by Lexology. Shareholders Alisa Abbott, Bradley Van Pelt, Robert Katz, and Sonia Okolie authored the U.S. chapter, providing insights into the current design patent landscape in the United States. In addition, Alisa Abbott and Sonia Okolie served as editors of the Global Overview: Lexology Panoramic: Designs, helping shape this comprehensive international resource.

The guide enables side-by-side comparison of local insights, including the legal framework; registered and unregistered designs; registration and opposition procedures; enforcement; assignment and licensing; and recent trends.

The chapter is available by clicking here.
