

Banner Witcoff Joins Pittsburgh Robotics Network's Robotics & AI Discovery Day

Banner Witcoff is pleased to be an exhibitor at the Robotics & AI Discovery Day, hosted by the Pittsburgh Robotics Network on September 16 in Pittsburgh, Pennsylvania.

According to its website, attendees will experience live demonstrations of robots and AI technologies changing the way we live, move, and work.

Banner Witcoff shareholders Alex Bruening and Brian Emfinger will be in attendance. Connect with them at Booth #727.
