Banner Witcoff Proudly Sponsors Innovations in Climate Resilience Conference

Banner Witcoff is sponsoring the 2024 Innovations in Climate Resilience (ICR) Conference in Washington, D.C., from April 22-24.

ICR's mission, according to its website, is to "bring together the world's brightest minds to solve the greatest challenge of our time." This year's theme, "Solutions For Scaling Change," will include sessions on achieving rapid carbon neutrality, investing in climate-resilient infrastructure, fortifying our future systems, and advancing sustainability solutions for the next generation.

For more information about the ICR Conference, click here.
