Banner Witcoff is proud to sponsor the 2024 Lavender Law Conference and Career Fair, presented by the National LGBTQ+ Bar Association and Foundation. The firm supports the conference in honor of attorney John Harris Curry, who passed away earlier this year.

According to its website, "Since its establishment in 1988, the Lavender Law Conference & Career Fair has played a pivotal role as a 'family reunion' for LGBTQ+ and ally legal professionals. This annual event not only provides an opportunity to reflect on the shared history of the LGBTQ+ legal community but also serves as a platform to envision the future of the legal profession." The Lavender Law Conference and Career Fair is the largest LGBTQ+ legal conference in the United States.

John joined the firm as an attorney in its Washington DC office in 2017 and was a valued member of the electrical and computer engineering practice. Prior to joining the firm, John worked as a patent examiner at the U.S. Patent and Trademark Office in the area of display device technology. John earned his B.S. in electrical engineering and J.D. from The George Washington University.
