Banner Witcoff Sponsors the Innovate Mississippi Accelerate Conference

Banner Witcoff is proud to be a sponsor the Innovate Mississippi Accelerate Conference on Technology Innovation, taking place on November 8-9 in Jackson, Mississippi.

The two-day conference will feature a “Pitch Day,” providing Mississippi-based startups the opportunity to showcase their business models. There will be multiple keynote speakers and breakout sessions delving into various topics, including opportunities to enhance innovation and technology in Mississippi, Generative AI, Founders Panels, and the resources available for founders looking to grow and remain in Mississippi.

Now in its 23rd year, the Accelerate Conference on Technology Innovation offers Mississippi stakeholders an annual event to network, learn, and gain inspiration. Organized by Innovate Mississippi, the event invites innovators from both public and private sectors to collaborate in building Mississippi’s future economy.
