

Banner Witcoff Ranks Among Top 5 Intellectual Property Boutique Law Firms in Nation

Banner Witcoff is one of the top intellectual property boutique law firms in the United States, according to Vault's annual rankings.

The firm ranks fifth on Vault's 2020 list of Best Intellectual Property Boutique Law Firms. Banner Witcoff has made the list for eight consecutive years, highlighting the firm's steady standing as a leader in the field of intellectual property law.

To determine its practice area rankings, Vault asked associates to vote for the strongest firms in their self-identified practice area. They could vote for up to three law firms, but were not allowed to vote for their own firm.
