

Banner & Witcoff Represents America's Biggest Companies

October 29, 2012

Banner & Witcoff was again named to *Corporate Counsel* magazine's survey "Who Represents America's Biggest Companies." Banner & Witcoff is highlighted in the "Kings of IP" and "Litigation Kings" sections and was named for handling IP and litigation work for several Fortune 100 companies including Bank of America Corporation, PepsiCo Inc., Comcast Corporation, Honeywell International Inc., and The Allstate Corporation.

Overall, the firm was tied with one other law firm for being named as patent prosecution counsel for more Fortune 100 companies than any other U.S. law firm.

Corporate Counsel, a monthly magazine for the in-house attorney, covers business issues, legal affairs and reports on the latest developments in the corporate world. Attached is a copy of their survey.
