Banner Witcoff to Host Virtual Booth at CogX Festival 2021

June 14, 2021

Banner Witcoff is hosting a virtual booth at the CogX Festival, which will take place June 14-16 in Kings Cross, London.

The event — a global leadership summit and festival of AI and transformational technology — will bring together leaders in business, government and technology to celebrate innovation, discuss global topics and share the latest trends shaping the decade ahead. The three-day event aims to address the question “How do we get the next 10 years right?”

Banner Witcoff attorneys Scott Kelly and Justin Philpott will staff the firm’s virtual booth. For more information or to register for the event, visit CogX Festival’s website.
