# Banner Witcoff Trio Discusses Arguments for Avoiding Patent Venue Rules in Law360

Tim Rechtien, Victoria Webb and Kim Devine examined a potential exemption to the U.S. Supreme Court's decision in TC Heartland LLC v. Kraft Foods Group Brands LLC for an expert analysis published in Law360.

In their article, the authors noted that the 2017 ruling narrowed where many patent infringement cases can be brought, and explained that plaintiffs may be able to avoid TC Heartland's reach if they can plead nonpatent-infringement claims along with their patent infringement claims.
