# **Banner Witcoff Wins Appellate Victory for Commerce Bank as Eighth Circuit Affirms Denial of Preliminary Injunction**

Banner Witcoff secured a significant appellate victory for its client, Commerce Bank, when the U.S. Court of Appeals for the Eighth Circuit affirmed the district court's denial of Revenue Management Solutions, LLC's (RMS) motion for a preliminary injunction.

RMS sought to enjoin Commerce Bank's use of its RemitConnect healthcare payment-processing platform, but the Eighth Circuit affirmed the district court's determination that RMS failed to demonstrate the irreparable harm required for preliminary injunctive relief.

The decision leaves the denial of the preliminary injunction intact and allows Commerce Bank to continue operating its platform while the litigation proceeds.

The Banner Witcoff team includes Anna King, John Hutchins, who presented oral argument before the Eighth Circuit, along with Wes Jones, Binal Patel, Matt Becker, Brian Apel, Eric Hamp, Alex Bruening, and Sydney Huppert. The case is Revenue Management Solutions, LLC v. Commerce Bank, No. 25-3159 (8th Cir.).
