Banner Witcoff's Darrell Mottley and Rich Stockton to Participate in USPTO's Design Webinar Series

Banner Witcoff attorneys Darrell Mottley and Rich Stockton will participate as panelists in the USPTO's 2nd annual Design Webinar Series on July 27 at 1 PM ET.

The series highlights the role of design patents for multiple industries and takes a closer look into design patent strategy. Darrell, Rich, and their co-panelists will discuss the benefits of design patents, design patent strategy, and the use and value of design patents through industry-specific stories.
