Banner Witcoff's Marguerite Smith Featured on American Intellectual Property Law Association's (AIPLA) POSITA Podcast

Banner Witcoff Patent Engineer Marguerite Smith joined AIPLA's Patent Agents Committee to talk about her first year as a patent agent on the People of Ordinary Skill in the Art (POSITA) podcast.

The episode covers:
– How Marguerite found her way into intellectual property after college
– What it's really been like starting out in her first role as a patent agent
– Practical advice and pathways for students and early-career professionals interested in IP
