Binal Patel Joins ChIPs Network Panel: Outstanding Male Allies Advancing Women

Banner Witcoff's Binal Patel will join the ChIPs Network panel, Outstanding Male Allies Advancing Women, on Thursday, December 5, from 11:15 to 12:15 PST.

The panel will discuss how male allies can strategically advance women in their organizations. Find more information about the ChIPs Network by clicking here.

Details about the webinar can be found here. Users must have an account to access the page.
