Bottle Battles: Lawsuits in the World of Alcohol Bottling

In an article published in Santé Magazine, Kirk Sigmon explores the alcohol industry's legal battles over bottle designs, labels, bags, wax seals, and the word "handmade."

The piece explores the battle over a skull-shaped bottle, Crown Royal's famous drawstring bag, Tito's use of "handmade," and more.

You can read more about the alcohol industry's most fascinating lawsuits by clicking here.
