February 4, 2014

Banner & Witcoff shareholder Christopher J. Renk was recently nominated to the BTI Client Service All-Stars 2014. He was one of only 21 intellectual property attorneys who were named individually, and unprompted, by clients for delivering the best client service.

BTI Consulting Group, a leading provider of strategic research to the legal services industry, asked nearly 300 in-house counsel from large and Fortune 1000 companies to determine which attorneys stood apart from their colleagues in six areas: client focus, innovative thought leadership, exceptional understanding of the client's business, legal skills, outsized value and outstanding results. A total of 330 attorneys were named by corporate counsel in this year's survey.
