BTI recognizes Robert H. Resis and Michael J. Harris for superior client service for IP litigation

Banner & Witcoff shareholders Robert H. Resis and Michael J. Harris were recognized in the BTI Client Service All-Stars 2017 for IP litigation. They were two of 319 attorneys nationwide who were named individually, and unprompted, by clients for delivering the best client service. Mr. Resis was nominated by a global industrial manufacturing giant, and Mr. Harris was nominated by a major manufacturing company.

BTI Consulting Group, Wellesley, MA, a leading provider of strategic research to the legal services industry, asked more than 300 in-house counsel to determine which attorneys stand out from others in six areas: superior client focus; exceptional understanding of the client's business; legal skills; delivering efficient, value-added service; innovative thought leadership; and outstanding results.
