Chicago Bar Association Leadership Institute: Advanced Business Development Strategies

Shareholder Binal Patel will be a panelist at the Chicago Bar Association Leadership Institute: Advanced Business Development Strategies on Wednesday, May 28.

The panel, “The Secrets to Becoming a Rainmaker,” will discuss the fundamentals of building relationships, networking, selling oneself, and developing a book of business.

The Leadership Institute is designed to enhance the leadership skills and foster the professional growth of emerging leaders within Chicago’s legal community. Click here to read more about the programming.
