Christian LaForgia to Act as Panelist in Strafford Webinar on Using Intellectual Property as Collateral

Banner Witcoff attorney Christian LaForgia will act as a panelist for a Strafford webinar on Tuesday, October 4 from 1-2 pm EDT.

The CLE webinar, titled “Leveraging IP as Collateral: Due Diligence, Value Assessment, Risk Considerations, Contractual Provisions”, will discuss the steps needed to conduct due diligence and determine the value of the IP assets. Christian and his co-panelist will also address the potential risks of using IP as collateral and explore the best practices for navigating the process.

You can read more and register for the webinar by clicking here.
