BANNER WITCOFF

Corporate IP Roundtable Webinar to Discuss Key Patent Law Developments Over the Past Year

February 9, 2022

Andrew Smith, senior IP counsel at Centripetal Networks will present with Banner Witcoff attorney Scott Kelly, at the Corporate IP Roundtable program on Feb. 9.

The duo will discuss Federal Circuit and Supreme Court cases that substantially impacted the patent law landscape over the past year. This is a great opportunity to learn key takeaways for your corporate practice in only an hour.

The webinar will begin at 12 p.m. CT. One MCLE credit in IL and VA will be available for attending. Other jurisdictions may be applied for. Attendees must register in advance. Click here to register.

Our Corporate Roundtable programs are intended exclusively for a corporate audience and clients of the firm. We reserve the right to refuse any registration at our sole discretion.
