Darrell G. Mottley part of D.C. Bar Leadership Development Committee recognized for fostering new community connections

Darrell G. Mottley and his fellow members of the D.C. Bar Leadership Development Committee will be honored with the Frederick B. Abramson Award at the D.C. Bar Celebration of Leadership on June 14.

The Frederick B. Abramson Award annually recognizes a D.C. Bar committee or project that has significantly benefited the D.C. Bar and its members through innovation or unusual dedication.

The Leadership Development Committee worked this year to rebrand the D.C. Bar's sections into D.C. Bar Communities, which will enhance membership by focusing on value for members, more engagement and improved content.
