Darrell Mottley Appointed Member of the Advisory Committee of the ABA AI Task Force

Darrell Mottley has been appointed as a member of the Advisory Committee of the ABA Task Force on Law and Artificial Intelligence (AI Task Force).

Created by the ABA, the AI Task Force will help identify the impact of AI on the legal profession and the practice of law. During his one-year term, Darrell and other members will solicit input from thought leaders and industry experts, think tanks, academia, government, and stakeholders across the ABA to identify and recommend best practices needed to navigate the complex technology.
