Darrell Mottley Presents on IP Protection in Jewelry at the Initiatives in Art and Culture's 13th Annual Gold + Diamond Conference

Banner Witcoff's Darrell Mottley will participate as a panelist at the Initiatives in Art and Culture's (IAC's) 13th Annual Gold + Diamond Conference on July 18.

The panel will provide an overview of intellectual property in the jewelry industry and the legal tools that can prevent its infringement. Two prominent American jewelry designers, Jess Busiashvili and Bliss Lau, will join Darrell on the panel.
