Darrell Mottley to Discuss Fashion Tech for ABA Panel

June 25, 2020

Banner Witcoff attorney Darrell G. Mottley will speak on a June 25 webinar exploring fashion technology.

Darrell will examine the legal aspects of fashion technology and design protection, including block chain in fashion design, virtual models and 3D printed ready-to-wear clothing.

The webinar, “The Incredible World of Fashion Tech,” is hosted by American Bar Association (ABA) and sponsored by the ABA’s Section of Science & Technology Law. Click here to register.
