Eric Hamp Presents on Amgen v. Sanofi in Strafford Webinar

Banner Witcoff's Eric Hamp will participate as a panelist in a Strafford CLE webinar, Amgen v. Sanofi: Patent Enablement and the Implications of the Supreme Court's Decision, on Thursday, June 15 from 1 pm-2:30 pm EDT.

Eric and his co-panelists will outline the implications of the recent Supreme Court decision in Amgen Inc. v. Sanofi to patent counsel. The panel will discuss the decision's impact on the patent enablement requirement and offer best practices for satisfying the patent enablement requirement, or challenging that it has been met.

The panel will also discuss:

- What lessons can patent counsel draw from the Supreme Court's decision when making arguments of enablement?
- What steps should counsel take to meet the enablement requirement when drafting patent applications?
- How can patentees and patent challengers leverage the decision in invalidity/unpatentability challenges based on enablement?
