# Ethical Issues Confronting Patent Lawyers: Sanjay Murthy Presents at Practicing Law Institute's Developments in Pharmaceutical and Biotech Patent Law 2023

Shareholder Sanjay Murthy will deliver a presentation on legal ethics for both outside and in-house counsel at the 2023 Practicing Law Institute's (PLI) Developments in Pharmaceutical and Biotech Patent Law on Friday, December 1, at 4 pm ET.

The session, titled "Ethical Issues Confronting Patent Lawyers," will review recent case law across multiple jurisdictions and tribunals involving various legal ethics for both outside and in-house counsel. Participants will leave the presentation equipped to:

- Identify ethical issues arising in patent practice through an exploration of case law
- Recognize and address potential risks associated with ethical issues
- Proactively avoid potential conflicts of interest problems
- Understand the USPTO/PTAB's most recent jurisprudence on ethical issues

The full-day program will cover a broad range of issues confronting the current state of healthcare law.
