Intersectionality of Ethics, Mental Health & Diversity in Law and Practice: Mercedes Meyer Presents to Chicago Women in IP

On February 22, Mercedes Meyer will present “Intersectionality of Ethics, Mental Health & Diversity in Law and Practice” to Chicago Women in IP (ChiWIP). The presentation will run from Noon – 1 pm CT over Zoom.

Mercedes will explore a variety of issues that impact the mental health of women attorneys. She will also provide tips for identifying and alleviating additional stressors.
