Corporate IP Roundtable Webinar to Discuss Key Patent Law Developments of 2022

Banner Witcoff attorneys Scott Kelly and Matt Becker will discuss the key patent law developments from the past year at the Corporate IP Roundtable webinar on January 26.

During the hour-long webinar, the duo will discuss major Federal Circuit and PTAB precedential cases that played a key role in the patent law developments witnessed over the past year. The program is designed to provide attendees with the key takeaways for their corporate practice.

The webinar will begin at 12 p.m. CT. One MCLE credit in IL and VA will be available for attending. Other jurisdictions may be applied for. Attendees must register in advance. Click here to register.
