Kirk Sigmon Attends WIPF Bengaluru 2024

Banner Witcoff's Kirk Sigmon is attending the 2024 World IP Forum (WIPF) in Bengaluru, India from January 10-13th.

In addition to attending WIPF, Kirk spoke on a panel discussing AI and blockchain. The theme for this year's conference is 'Intellectual Property: The Age of Powerful Techades,' focusing on recent developments in IP and its syncing with business objectives.

According to its website, the WIPF conference is one of the best global IP events. The conference provides attendees with highlights on emerging developments in the global IP market and networking opportunities with industry colleagues from around the world.
