Kirk Sigmon Quoted by CEB on the Future of Fair Use

Banner Witcoff's Kirk Sigmon was recently quoted in California's CEB (Continuing Education of the Bar) article, The Future of Fair Use: Will LLMs Have to Pay to Train on Copyrighted Works? This article shares insight on recent rulings from cases involving Anthropic and Meta AI.

In the article, Kirk states that he views the rulings as a "helpful start" for lawyers to gauge how courts might define fair use in AI-based copyright infringement claims. He adds, "When I look at these decisions, the first thing that occurs to me is that this is not the end of this discussion."
