Kirk Sigmon Quoted by MSN and Sourcing Journal on New AI Bill

In MSN and Sourcing Journal, Banner Witcoff shareholder Kirk Sigmon weighs in on how companies' copyrighted works could be impacted by a new bill proposing how AI models leverage intellectual property.

"The way in which I look at it is to say that it is agnostic to small IP, big IP. It's just talking about copyright; it's writ large," said Sigmon. "It does seem to set up a system which would effectively kill the ability to train with large language models."
