Kirk Sigmon to Present on Patenting Artificial Intelligence at World IP Forum in Bangkok

Banner Witcoff attorney Kirk Sigmon will speak at the World IP Forum (WIPF) on October 11th in Bangkok, Thailand.

Kirk's presentation, titled "Tips and Tricks for Patenting Artificial Intelligence in 2022," will explore the best practices in working with the ever-evolving world of Artificial Intelligence and Machine Learning. Kirk's presentation will focus on difficulties in patenting artificial intelligence-related inventions, strategies for overcoming subject-matter eligibility and obviousness rejections, and best practices for artificial intelligence and machine learning patent enforcement and litigation.

According to its website, the WIPF conference is one of the best global IP events. The conference provides attendees with highlights on emerging developments in the global IP market and networking opportunities with industry colleagues from around the world.
