Matt Becker and Scott Kelly Explore 2023's Significant Patent Case Law Developments for the D.C. Bar CLE Program

Banner Witcoff's Matt Becker and Scott Kelly will explore the significant patent case law developments of 2023 during their "Patent Law a Year in Review 2023" presentation with the D.C. Bar on December 13, from 6:00 to 9:15 pm ET. The presentation will be offered virtually over Zoom.

Matt and Scott will provide attendees with insights into recent USPTO rule changes and proposed legislation. They will also address:

- Updates on patentable subject matter
- New developments in prior art
- Defenses in patent litigation
- Procedures in patent litigation
- Shifts in IPR practice and trends

3.0 general credit hours are available. You can learn more and register for the webinar by clicking here.

Scott will also present the annual "Patent Law Year in Review" during a Corporate IP Roundtable webinar in January. The time and date will be announced soon. Learn more about our Corporate IP Roundtable and subscribe to receive updates and announcements by clicking here.
