Mercedes Meyer Discusses Ethical Considerations for Precision Medicines at ACI's Novel Therapeutic Modalities and Gene Therapies Conference

Banner Witcoff's Mercedes Meyer will present at the American Conference Institute's Novel Therapeutic Modalities and Gene Therapies Conference on Wednesday, March 22 at 3 pm EDT.

Mercedes and her co-presenter will discuss the ethical, legal, and social concerns related to trends in precision medicine. The presentation, titled "Ethical Considerations for Precision Medicines: Emerging Ethical, Legal and Social Concerns Related to Trends in Precision Medicine," will provide attendees with an appreciation for the complexities associated with duty of reasonable inquiry, informed consent, conflict of laws, privacy, data integrity and accessibility of emerging medicines to underserved populations.
