Paul M. Rivard discusses Lighting Ballast case in Bloomberg BNA's Patent Trademark & Copyright Law Daily

September 16, 2013

Mr. Rivard discusses recent oral arguments in *Lighting Ballast Control v. Philips Electronics North America* in Bloomberg BNA's *Patent Trademark & Copyright Law Daily.* The case involves whether to overturn the 1998 ruling in *Cybor Corp. v. FAS Techs. Inc.,* which held that district court claim construction rulings should always be reviewed *de novo*.
