Paul M. Rivard presents ABA webinar “Recent Lessons and Practice Insights on the Law of Obviousness”

February 20, 2018

Paul M. Rivard presents American Bar Association webinar “Recent Lessons and Practice Insights on the Law of Obviousness.”

Mr. Rivard and his co-panelists will outline the best practices and tips for addressing obviousness before the U.S. Patent and Trademark Office, and offer litigation counsel strategies for evaluating and challenging competitor patents during contested proceedings.
