Binal is a past president of Banner Witcoff. He has a range of experience in intellectual property matters including procurement, litigation, and counseling. He represents clients in various industries including financial services, insurance, automotive and heavy equipment technologies.

Binal is an adjunct professor at the Northwestern University Pritzker School of Law, teaching "Intellectual Property Litigation: Pre-trial Skills," and recently founded the North Shore Corporate Intellectual Property Roundtable. He is also a member of the firm's management committee.

Due to his varied achievements, Binal has been recognized by multiple publications. He has been consistently recognized in The Best Lawyers in America and Illinois Super Lawyers, which represents the top 5 percent of attorneys in the state. He is also a member of the Leading Lawyer Network, which selects members based on peer nominations and approval by the network's advisory board.

Patent Procurement Experience:

Binal actively manages the patent procurement programs for a number of large and medium sized corporations in the U.S. and internationally. Having litigated patents in court, Binal approaches patent procurement with an eye towards litigation and with an effort to obtain maximum desirable claim coverage results. Binal counsels his clients to establish and maintain effective patent prosecution procedures. Binal has prepared and successfully prosecuted numerous patent applications in the fields of computer software, Internet-related technologies, computer hardware, telecommunications, and medical devices. In the software space, Binal has experience in electronic commerce applications, mobile-device applications, security and fraud-detection systems, authentication technologies, compliance and enterprise governance technologies, Web tools and business-to-business solutions, insurance solutions, banking services and asset management products. He also has experience in preparing patentability, validity, and infringement opinions relating to inventions in these fields.

Patent Post-Issuance Review Experience:

Binal devotes a growing portion of his practice to handling inter partes review (IPR) proceedings before the U.S. Patent and Trademark Office's Patent Trial and Appeal Board. Since the America Invents Act was enacted in 2012, he has represented multiple large corporations in challenging or defending patents through IPR proceedings.

Litigation Experience:

Binal has significant experience managing complex litigation matters involving the enforcement and defense of intellectual property rights. Binal handles litigation with a pragmatic and pro-active approach and tailors his litigation strategies to suit the business goals of his clients. Binal's approach to litigation has achieved substantial success for clients in defending against patent infringement suits involving tens of millions in alleged liability. Binal also has proven successful in enforcing clients' intellectual property rights. Some of Binal's recent litigation achievements include the following matters and examples:
