

Daniel (Dongil) Moon He/Him/His

Attorney
Washington, DC
dmoon@bannerwitcoff.com
Main: 202.824.3000
Fax: 202.824.3001

Daniel is dedicated to helping clients with a variety of patent legal services ranging from patent prosecution, PTAB post-grant proceedings, due diligence, and infringement and invalidity opinions. Daniel has both legal and industry experience in a variety of technologies, including telecommunications, semi-conductor devices, display devices, and computer software. He has significant experience in standard essential patents (SEPs) in a variety of technologies, including 3GPP mobile telecommunications standards and video coding standards.

Prior to joining the firm, Daniel worked in the legal industry as a patent agent/technical specialist at a U.S. law firm. Prior to beginning his U.S. patent practice, he was a Korean patent attorney and worked on patent prosecution, litigation, patent map projects, and licensing negotiation at a Korean law firm. Prior to beginning his legal career, Daniel was an information technology officer in Republic of Korea Air Force.

Daniel earned a B.S. in electrical engineering with a minor in business administration from Seoul National University, a M.S. in management from Georgia Institute of Technology, and a J.D. with high honors from The George Washington University Law School. He was selected for inclusion in The Best Lawyers: Ones to Watch in America® 2026 edition for IP law.
