

Mercedes K. Meyer, Ph.D. *She/Her/Hers*

Attorney
Washington, DC
mmeyer@bannerwitcoff.com
Main: 202.824.3000
Fax: 202.824.3001

Mercedes Meyer, Ph.D., represents leading life science and technology companies maintaining an extensive biotechnology and pharmaceutical patent management, prosecution, opinion and due diligence practice. With a doctorate in virology and degree in chemistry, Mercedes has a deep understanding of complex biotechnology and scientific research, which is key for advising life science clients on commercializing and protecting product innovations as well as performing diligence for investing in new technologies, particularly in corporate joint development projects. Mercedes advises on developing patent strategies, managing the intellectual property rights, and making associated investments and acquisitions. Mercedes also handles patent reexaminations and inter partes matters.
