Richard Stockton Presents on Design Patents and Amending Claims, Reissue, and Validity Challenges in Strafford Webinar

Richard Stockton will speak during a Strafford CLE Webinar, “Design Patent Claims Amendment, Reissue, Validity Challenges: Recent Court Treatment and USPTO Guidance,” on Wednesday, July 26 at 1pm EDT.

Rich and his co-presenters will guide patent counsel on design patents and amending claims, reissue, and validity challenges. Additionally, the panel will discuss the invalidating of claims and the associated challenges. The webinar will also discuss:

- What do recent PTAB decisions in ex parte appeals mean for design patent amendments?
- How can reissue applications be used effectively to amend design patent claims after issuance?
- What guidance do PTAB decisions in post-grant validity challenges provide?
- What practical considerations should counsel keep in mind when using post-grant proceedings to challenge design patents?
